

2012 NJMCA Annual Meeting Speaker Instructions

As you may know, the NJMCA has had proceedings of the annual meetings ever since the Association, originally the New Jersey Mosquito Extermination Association, held its first meeting in 1914. One of the Association's goals has always been to have as complete a record of what transpired at the annual meeting as possible. In doing so, we create an end product we can be proud of. This is will not happen without your support.

We recognize that some speakers will be presenting work that they plan to have published in a refereed journal and that some speakers, taking advantage of the utility of programs like PowerPoint, may not have a paper in hand when they attend the meeting. **From all speakers we require an abstract to be submitted with the Call for Papers.** We do encourage all those speakers who can to submit a summary of the material that was presented along with any relevant tables, figures or photographs. This will make the 2012 NJMCA Proceedings as complete a document as possible. Click here for [Author Guidelines](#).

The [Call for Papers Submission form](#) should be emailed to Taryn Crepeau at taryn.crepeau@co.monmouth.nj.us by January 23rd, 2012. Any submissions received after that date cannot be considered for the 2012 meeting.

We look forward to seeing you at the meeting and thank you for your participation.
