

New Jersey Mosquito Control Association, Inc.

2019 Membership Application

Supporting Mosquito Control since 1913

The objectives and purposes of the association shall be to promote and encourage close cooperation among those directly and indirectly concerned with, or interested in, mosquito control and related work, the stimulation of educational activities to increase the knowledge of mosquito control and the advancement of the cause of mosquito control and related environmental concerns in the State of New Jersey and elsewhere. The association may also encourage such other insect control programs as the association or board of trustees may determine.

The Association's (NJMCA) primary goal is to promote, encourage, develop and record safe, effective and environmentally sound mosquito control activities in order to protect the health and welfare of the citizens of New Jersey, and to make this information available to all who may be interested or concerned with mosquito control activities.
