

Table of Contents for 1970-1979 of NJMCA Annual Meetings

Proceedings of the Association's annual meetings are published each year. The table of contents for Proceedings issued from 1970-1979 are available below. In addition to the referenced papers each proceedings includes a list of the NJMCA Officers, Trustees, Past Presidents, Mosquito Extermination Commissions and Mosquito Control Agencies in New Jersey and Business Meeting minutes.

Papers of the 1979 NJMCA Annual Meeting

- Address Of President, **Adolph J. Crescente**
- An Mosquito Anthology, **Jesse B. Leslie, S. E. J. D.**
- For the Committee, **L. J. Richards**
- Past Thoughts To Think About, **Rowland E. Dorer**
- Looking Back - The Role Of The Station, **Lyle E. Haggmann**
- A Survey Of Mosquito Control Equipment In New Jersey, **J. K. Shisler**
- A Technique For ULV Application Of Abate 4E From A Helicopter, **I. L. White**
- Further Study Of the Uniformity Of Application Of Granular Pesticides By Helicopter, **Roderic F. Schmidt and Charles Mark**
- The 1978 New Jersey State Mosquito Surveillance Program, **Marc Slaff and Wayne J. Crans**
- Fixed-wing Aircraft Used In Mosquito Control In New Jersey, **Robert Kent and Donald Sutherland**
- A New Tool For Mosquito Control, **James D. Gorman**
- The Use Of Small Programmable Calculators For Mosquito Control, **Paul Cowan**
- Naturalistic Techniques For Open Marsh Water Management With the Latest Style Rotary ditcher, **Richard Candeletti**
- Evaluation Of "Nature Shield", An Electromagnetic Device For the Control Of Mosquitoes Under Field Conditions, **A. A. Di Edwardo, Patrick T. Slavin and William Fisher**
- Aerial Adulticiding: Risks And Benefits, A Report Of the New Jersey State Airspray Program In 1978, **Robert Kent and Donald Sutherland**
- Preliminary Survey Of Fishes Utilizing New Jersey Marsh Altered For Control Of Salt Marsh Mosquito, **K. W. Able, J. K. Shisler and C. W. Talbot**
- Highlights Of A Worldwide Look At Mosquitoes And Disease In 1978, **Helen Sollers-Riedel**
- Laboratory Colonization Of *Aedes Cantator* (Coquillett) And *Aedes Sollicitans* (Walker), **Susan Ford and Bin Khong Khoo**
- Island Beach State Park Mosquito Control Project: A Program Report, **Peter McNeil**
- A Summary Of Events In Northeast Mosquito Control For 1979 And the Announcement Of 1979 N. M. C. A. Meeting, **David H. Colburn**
- Mosquito Control Problems Associated With And General Guidelines For Detention And Retention Basins, **Frank G. Schimmenti**

- The State Of the State Commission, **James S. Gaspari**
- Pesticides For the Future, **W. J. Zawicki**

PAPERS OF THE 1978 NJMCA ANNUAL MEETING

- Address Of the President, **Robert Ostergaard**
- Report From the New Jersey department Of Health, **Ronald Altman**
- Report Of the State Mosquito Control Commission, **Kenneth W. Bruder**
- Statewide mosquito Control Activities During 1977, **Kenneth W. Bruder**
- Northeastern Mosquito Control Association - Past, Present And Future, **Eugene Marx**
- Where Are the Simple Pleasures Of Doing A Good Job, **Paul J. Hunt**
- The Regulatory Programs Of the New York District Corps Of Engineers, **William F. Slezak and Dennis J. Suskowski**
- Does the Blue Whale Spawn In the Salt Meadows Of New Jersey? (If Not, Why Does the National Marine Fisheries Service Review Applications To Dig Mosquito Ditches?), **Stanley W. Gorski**
- Mosquito Source Reduction And Present Water Management Regulation In Coastal Georgia, **Thomas O. Fultz**
- Open Marsh Water Management In Maryland, **Cyrus R. Lesser, Robert M. Altman and Lester F. George**
- Essex County Mosquito Control Project Report, **Robert W. Spencer**
- Some Ideas About Coastal Management From Production And Export Studies On A Massachusetts Salt Marsh, **Ernest Ruber and Robert E. Murray**
- Water Management Methods Being Utilized In Coastal Marshes To Control Mosquito Population, **Joseph K. Shisler**
- Ecosystem Preservation As the Basis For Mosquito Control Policy In the National Park Service North Atlantic Region, **Michael Soukup**
- Two Years Of Open Marsh Water Management In Barrington, **R. I., D. Boyes and P. M. Capotosto**
- Persistence Of Abate In Granule Application, **William F. Carey**
- A year With Mom, **Roderic F. Schmidt**
- Developmental Variation Of Major Esterase Isozymes In Female *Aedes Aegypti*, **D. Fryauff and D. J. Sutherland**
- Field Evaluation Of Altosid Briquets Against *Aedes Canadensis* (Theob), **D. E. Firstenberg and D. J. Sutherland**
- Highlights Of the 1977 World Trends In Activities Concerning Mosquitoes And Disease, **Helen Sollers-Riedel**
- *Culex Tarsalis* In New Jersey, **Thomas Candeletti and Frederick H. Lesser**
- The Route System Used In Bergen County, **Herman A. Ehrenberg**
- The Physical And Chemical Changes Of Bidwell Creek Estuary During Tide Cycles And Its Effect On Atlantic Menhaden, **Andre L. Hodges**
- Cholinesterase Inhibition In Mosquito Control Personnel, **Terry Schulze**
- Cholinesterase Inhibition After the Fact, **H. D. Brown, H. K. O'Farrell, S. K. Chattopadhyay and Y. T. Das**

- Chemical Control Of Mosquito Larvae In Sewage Lagoons In Maryland, **C. Marvin Keenan**
- Clam Island: An Experience Habitat Manipulation In A Herring Gull Colony, **J. Burger, J. Shisler and F. Lesser**
- Physical Factors Influencing Mosquito Development And Adult Flight Activity Within Diked Dredged Material Disposal Areas In South Carolina, **Joseph Vorgetts, C. B. Loadholt and Wm. Bruce Ezell**
- A Vehicle Trap For Collecting Low-Flying Mosquito And Black Flies, **C. D. Morris**
- 1605 And Other Thoughts, **Henry R. Rupp**
- On What Entomology Data Should Water Management be Based, **Roderic E. Schmidt and George H. O'Carroll**
- The mosquito Abatement Hazards Of Detention - Retention Facilities In new Jersey, **George O'Carroll**
- Subdivision Review As A Mosquito Abatement Procedure, **George H. O'Carroll**
- Monmouth County Drainage And Waterways Agency Progress Report:1977, **Robert W. Hughley**
- Population Fluctuations In *Aedes Sollicitans*, **Jere D. Downing**
- The *Aedes Sollicitans* Year In Burlington County, New Jersey, In 1977, **Claudia M. Smith and Brian R. Gooley**
- Cape May County's Response To The *Aedes Sollicitans* Problem In 1977, **Judy Hansen**
- *Aedes Sollicitans* In Cumberland County, New Jersey 1977, **Patrick T. Slavin**
- The Efficiency Of Water Management In Coastal Areas, **Joseph K. Shisler**
- The Efficiency Of the State Airspray Program - 1977, **R. Kent and D. J. Sutherland**
- SCS Assistance For Drainage, **Warren J. Fitzgerald**
- Vector Potential Of *Aedes Sollicitans* As A Function Of Season And Distance From A Breeding Site, **Jere D. Downing, Wayne J. Crans, Marc E. Slaff and Susan B. Ford**
- Current Status Of Tidal restoration Of Salt Hay Impoundments For Mosquito Control In Cumberland County, New Jersey, **Patrick Slavin, Joseph Shisler and Fred Ferrigno**
- An Analysis Of *Aedes Sollicitans* And *Aedes Taeniorhynchus* Populations On the Eastern Shore Of Maryland In 1977, **C. R. Lesser, R. M. Altman, M. L. Cropper, R. A. Berry and K. W. Ludlam**
- Evaluation Of the Tuckahoe Open Marsh Water Management Project: First Year Progress, **Edward J. Launay**

PAPERS OF THE 1977 NJMCA ANNUAL MEETING

- Address Of the President, **Ruth M. Allen**
- The New Jersey Agricultural Experiment Station And Mosquito Control In New Jersey, **Grant F. Walton**
- Environmental litigation, **Spencer S. Marsh**

- The Interdepartmental Committee's Contribution To State - Wide Mosquito Control In 1976, **Kenneth W. Bruder**
- Highlights Of Mosquito And Disease Studies Around the World In 1976, **Helen Sollers-Riedel**
- Effect Of Charter Revision On Mosquito Control Activities, **Robert W. Helm**
- The Present Status Of New Hampshire Mosquito Research And Control, **Arthur H. Mason, John F. Burger, John Tucker and Betsyanne Whalen**
- The Formation Of the Drainage And Waterways Agency In Monmouth County, **Robert Ostergaard**
- Operational Aspects Of the Monmouth County Drainage And Waterways Agency, **Robert W. Huguley**
- Mosquito Control Through Source Reduction As Practiced By the Essex County (Massachusetts) Mosquito Control Project, **Norman R. Dobson**
- Mosquito Control Techniques On Island Beach State park, **Thomas M. Candeletti and Frederick H. Lesser**
- New Jersey State Airspray Program Activities In 1976, **Donald J. Sutherland and Robert Kent**
- Results Of the 1976 Mosquito Surveillance Program In New Jersey, **Jere D. Downing**
- A Summation Of Studies Pertaining To the Migratory Behavior Of *Aedes sollicitans* And Their Potential Value To Mosquito Control, **Wayne J. Crans**
- The Vector Surveillance Program In 1976, **Wayne J. Crans, Jere D. Downing and Anthony A. Di Edwardo**
- Mosquito Surveillance In Southeastern Pennsylvania During the Bicentennial Celebration, **Lewis J. Luchie, William Wills and Gray E. Jones**
- A Field Study Of the Collapsible Dog-baited Mosquito trap, **Bonnie Brook and Wayne J. Crans**
- The Comparative Phytotoxicity Of Flit MLO And Two NO. 2 Fuel Larvicide Solutions, **Roderic F. Schmidt and Donald J. Sutherland**
- Residual Efficacy Of Baygon MOS Applied By Air For Adult Mosquito Control, **Fred H. Lesser and Peter M. Grehlinger**
- The Efficiency Of Altosid Briquets For Mosquito Control In Catch Basins, **A. L. Hodges, H. A. Ehrenberg and D. J. Sutherland**
- Increasing the Efficiency Of the Fungus *Metarrhizium* With Surfactants, **Stephen B. Berte**
- Preliminary Field Tests With *Romanomermis Culicivorax* (*Reesimermis Nielsen*) To Control Mosquito Larvae In Burlington County, New Jersey, **Claudia M. Smith and Craig F. Imber**
- Costs And Benefits Of Leasing Or Owning A Helicopter For Mosquito Control, **Charles M. Mark**
- Agricultural Pilot Training And On-the -Job Factors, **Carrol M. Voss**
- Federal Regulations, **James Graham**
- New Jersey Regulations, **Joseph C. Haines**
- Inspector And Ground Crew Coordination In A Helicopter Mosquito Larviciding program, **Irvin Leslie (Skip) White**
- Granular Helicopter Operation-Cape May County, **Judy A. Hansen**

- The Helicopter Granular Delivery System Used In Bergen County, **Herman A. Ehrenberg**
- Granular Insecticide Dispersal System, **Roderic F. Schmidt**
- ULV Adulticiding System, **Roderic F. Schmidt**
- Low Volume System, **Henry J. Whitfield**
- The Future Of Helicopters, **Arthur Schneider**
- The History Of the Use Of *Gambusia Affinis* (Baird & Girard) In New Jersey, **Brian R. Gooley and Frederick H. Lesser**
- Applicability Of *Gambusia Affinis* (Baird And Girard) To Urban Mosquito Problem In Burlington County, New Jersey, **Mavis F. Green and Craig F. Imber**
- Potential Biology Control Of Woodland Pool Mosquito By the Eastern Mudminnow, **Patrick T. Slavin**
- Methods To Document Mosquito Breeding On Tidal Marshes By Artificial Means, **F. H. Lesser, W. J. Crans and J. K. Shisler**
- Interspecific Competition: An Explanation For the Diminuation Of *Aedes Aegypti* In Louisiana And Surrounding Areas In the 1960's, **William Wills and G. Roy Hayes**
- Biological Studies On Mosquito Nectar-Feeding Habits May Provide New Insight For Control, **L. A. Magnarelli**
- An Analysis Of Larval Dipping For Sampling *Aedes Canadensis*, **Jere D. Downing**
- Multiple Impacts Of Mosquito Control Water management Projects In the Rural-Urban Fringe, **George H. O'Carroll and Joseph K. Shisler**
- The Effects Of Marsh Management Practices, Particularly Ditching, On Nesting Birds, **Joanna Burger, Joseph Shisler and Frederick Lesser**
- Mosquito Breeding Associated With Dredge Spoil Deposition Areas In New Jersey, **Joseph K. Shisler**
- Toxicity Of Sumithion To Selected Non-Target Saltmarsh Organisms, **John Greenplate**
- The New Jersey State Airspray Program, **Donald J. Sutherland and Henry R. Rupp**

PAPERS OF THE 1976 NJMCA ANNUAL MEETING

- Address Of the President, **Shirley R. Ten Eyck**
- The Need For Cooperation And Communication, **Gilbert W. Lugossy**
- The Sting Or Women In Politics, **Rose Mary Hospodor**
- Arbovirus Activity In New jersey In 1975, **Joanne E. Finley**
- 1966-1976 In Retrospect, **Thomas F. Bast**
- The Yellow Fever Epidemic In Norfolk - 1855, **Stuart MacCausland**
- The Yellow Fever Heroine, **Harold C. Widman**
- Clara Maass - A Nurse, A Spirit, A Stamp, **Howard B. Hurley**
- Highlights Of A Global View Of Mosquitoes And Disease In 1975, **Helen Sollers-Riedel**
- Operational Mosquito Control In Cape May County, **Judy A. Hansen**

- Mosquito Control As Seen By the Environmentally Oriented Commissioner, **Ruth M. Allen**
- Equipment For ULV Application From Helicopters, **Henry R. Rupp and Donald J. Sutherland**
- A ULV Vehicle For Rough Terrain, **Herman A. Ehrenberg**
- Progress, **Ronald B. Turner**
- The Role Of the New Jersey Agricultural Experiment Station In New Jersey Mosquito Control Activities, **Grant F. Walton**
- The DEP: Its Obligations And Responsibilities For Future Mosquito Abatement In New Jersey, **Russell A. Cookingham and Kenneth W. Bruder**
- The Soil Erosion And Sediment Control Act of 1975, **Samuel R. Race**
- The Economics Of Marsh Water Management - A New Jersey View, **J. A. Hansen, F. H. Lesser, R. W. Lombardi, J. K. Shisler and P. Slavin**
- The Emergency Surveillance Program In New Jersey For Potential Mosquito Vectors Of Viral Encephalitis In 1975, **Wayne J. Crans, Jere D. Downing and Anthony A. Di Edwardo**
- A Summary Of Studies Of the Impact Of Temephos And Chlorpyrifos On the Saltmarsh Environment, **Andrew J. Forgash**
- Eastern Equine Encephalitis And ST. Louis Encephalitis Virus In Maryland 1975, **Jerry Mallack, Kenneth W. Ludlam and Robert M. Altman**
- Formulation And Interpretation Of Aerial mapping Of Breeding Areas, **Brian R. Gooley and Frederick H. Lesser**
- A Three - Year Analysis Of Mosquito Population Abundance In New Jersey, **Jere D. Downing**
- The Practical Use Of Mosquito Surveillance To A Local Control Program, **Thomas Candeletti and Frederick H. Lesser**
- Statistical Analysis And Interpretation Of Mosquito Light Trap Data, **Jere D. Downing**
- The Application Of Surveillance Data To Operational Mosquito Control, **Richard W. Lombardi and Craig F. Imber**
- The Use Of Parous Landing Rates As A Surveillance Technique To Monitor Mosquito Populations, **Wayne J. Crans**
- Parous Rates Of Overwintering *Culex Pipiens Pipiens* In N. J., **Marc E. Slaff and Wayne J. Crans**
- Susceptibility Of Pennsylvania Mosquito Larvae To Abate, Dursban and Baytex, **G. E. Jones, D. F. Carroll and W. Wills**
- Laboratory Colonization Of *Aedes Sollicitans* (Walker) With A Review Of the Technique Of Induced Copulation, **L. J. McCuiston and D. J. White**
- Insecticide Resistance In New Jersey Mosquitoes: A Five - Year Summary, **Donald J. Sutherland and Edward S. Evans**
- A Simple Artificial Feeding Technique For Mosquitoes: Future Investigations, **D. F. Carroll, G. E. Jone and W. Wills**
- Abate Residues In Salt Marsh Substrates, **William E. Carey, Rosa Iadevaia, Lambertus Van De Burgt and Kenneth Helrich**
- Field Evaluations Of ULV Applications To Control Adult Mosquito In Maryland, **Robert A. Berry and Kenneth W. Ludlam**

- Residual Efficacy Of Baygon For Mosquito Control, **Peter M. Grehlinger**
- Effects Of Two Insect Growth Regulation On Some Selected Saltmarsh Non-Target Organisms, **William G. McAlonan, Frank J. Murphey and Robert W. Lake**
- Field Testing Of Altosid In Cumberland County For Aedes Solicitants, **Joseph Vorgetts and Patrick Slavin**
- The Horn Seeder For Granular Application: An Analysis Of the System In Practical Use, **Roderic F. Schmidt**

PAPERS OF THE 1975 NJMCA ANNUAL MEETING

- The Department Of Environmental Protection's Decision On Mosquito Control In New Jersey, **David J. Bardin**
- Address Of the President, **William E. De Gise**
- Presidential Address, **Robert M. Altman**
- Interrelationships Of Mosquito Control With Other Governmental Agencies, **S. Elliott Mayo**
- National Mosquito Control-Fish And Wildlife Coordinating Committee: A Status Report, **Frank J. Murphey**
- The Formation Of the Mid-Atlantic Mosquito Control Association, **R. E. Dorer**
- Fresh Water Marsh Management Fore Mosquito Abatement, **Don M. Rees**
- Saltmarsh Water Management For Mosquito Control, **Fred Ferrigno, Patrick Slavin and D. M. Jobbins**
- The Sterile Insect Approach To Mosquito Control, **David A. Dame**
- Organization And Planning the Development Of Microbiological Control Of Mosquito Vectors Of Human Diseases, **A. Arata**
- Regulations Promulgated Under the Provisions Of the Federal Insecticide Fungicide, And Rodenticide Act, As Amended; Their Effect On Development And Research On New Insecticides For Mosquito Control, **Frederick W. Whittemore**
- Some Long Term Effects Of Grid System Mosquito Control Ditching On Salt Marsh Vegetation, **Cyrus R. Lesser, Frank J. Murphey and Robert W. Lake**
- Aspects Of Biological Productivity In Mosquito Ditched Salt Marshes, **Joseph K. Shisler and D. M. Jobbins**
- Preliminary Studies Of the Application Of Remote Sensing Techniques In the Delineation Of Salt Marsh Mosquito Breeding Areas In Galveston, Texas, **W. Pippin, B. Moon and D. W. Micks**
- The Failure Of Temefos And Chlorpyrifos To Affect the Short Productivity Of *Spartina Alterniflora* And *S. Patens* On A New jersey Salt Marsh, **Donna Aren Busch**
- Highlights Of International Studies On Mosquito And Disease In 1974, **Helen Scollers-Riedel**
- Current Status Of Dog Heartworm In Central New York, **W. Todaro and C. D. Morris**

- Mosquito problems Associated With the Bureau Of Reclamation Proposed Narrows Unit, South Plate Division, Missouri River Basin Project, Colorado, 1972, **Louis J. Ogden and Fred C. Harmston**
- St. Louis Encephalitis Outbreak-Memphis, Tennessee, 1974, **H. D. Carver**
- New Geographical And Mosquito Records For Snowshoe Hare Virus, **William Wills, Vern Pidcoe, Gary E. Jones, David F. Carroll, Jay E. Satz and Charles H. Calisher**
- Effectiveness Of the Hemoglobin Crystallization Technique For Mosquito Host Blood Meal Identification, **M. L. Birch and R. K. Washino**
- Peritrophic Membranes And Identification Of Double Blood Meals In *Culex Nigripalpus*, **William S. Romoser**
- Life History And Physiological Age Studies Of *Anopheles Quadrimaculatus* Say In Central New York State, **L. A. Magnarelli**
- Parity Determinations In Adult Mosquitoes Parasitized By Aquatic Mites (Acarina: Hydrachnellae), **Gray R. Mullen**
- Observations On Nectar Feeding And Swarming In Snowpool *Aedes* Mosquitoes In the Mountains Of Utah, **John D. Stireman and Lewis T. Nielsen**
- Structure-Activity Relationships Of Overcrowding Factors Of Mosquitoes, **Mir S. Mulla and Y-S Hwang**
- Comparison Of Physiological Age Of *Aedes Sollicitans* In Upland And Salt Marsh Areas, **B. A. Ebsary and W. J. Crans**
- Certification And Training Of Applications Of Restricted Use Pesticides, **Frederic W. Whittemore**
- New Jersey Program For Training And Certification, **Ronald B. Turner**
- Regional Programs For Training And Certification, **R. E. Dorer**
- Training And Certification Of Mosquito Control And public Health Pesticide Applicators In North Carolina, **R. C. Axtell**
- Compliance With Public Law 92-516 (Mosquito Control In Florida), **John A. Mulrennan**
- Operation Training And Certification Of Mosquito Control And Public Health Pesticide Operators-The State Of Louisiana, **S. K. Gilotra**
- The Training And Certification Program For Mosquito Control Technicians In California, **Thomas D. Mulhern**
- Recovery Of *Lagenidium Giganteum*, An Aquatic Fungal Parasite Of Mosquitoes, Two Years After Field Introduction, **R. K. Washino, E. M. McCray, C. J. Umphlett and J. F. Lasko**
- Field Competitiveness Of Double Translocation Heterozygote Males Of *Aedes Aegypti*(L.), **J. A. Seawright, P. E. Kaiser, N. L. Wills and D. A. Dame**
- Minnows As Mosquito Control Agents In Grand Cayman With Particular Reference To *Gambusia Puncticulata Puncticulata*, **R. G. Todd**
- Various Fish Species As Biological Control Agents For the Dark Rice Field Mosquito In Arkansas Rice Field, **Ronald B. Davey, M. V. Meisch, D. LeRoy Gray, J. Mayo Martin, Kermit E. Sneed and F. J. Williams**
- Pilot Program For the Intensive Culture Of *Gambusia Affinis* (Baird And Girard) And *Tilapia Zillii* (Gervais), Part III-Second Year Operation And Production Efficiencies, **Gray T. Reynolds**

- Environmental Impact Of Mosquito Pesticides Influence Of Abate On the Toxicity And Acetylcholinesterase Of Killifishes, **M. Thirugnanam and A. J. Forgash**
- Impact Of Abate And Dursban Larvicidal Formulations On the Salt Marsh Pulmonate Snail *Melampus Bidentatus* Say (Basommatophora: Ellobiidae), **George Fitzpatrick and Donald J. Sutherland**
- Experience With Fish Kills In Cape May County, 1974, **Andre L. Hodges**
- Autogeny In *Culex Pipiens Pipiens* Linnaeus And *Culex Pipiens Molestus* Forskal And Regulation By Larval Diet. (Diptera: Culicidae), **N. Prabhaker and D. J. Sutherland**
- Colonization Of the Predacious Mosquito, *Toxorhynchites Rutilus Septentrionalis* (Dyer & Knab), **Marc E. Slaff, John J. Reilly and Wayne J. Crans**
- Growth And Behavior Of Colonized *Toxorhynchites Rutilus Septentrionalis* (Dyer & Knab), **Wayne J. Crans and Marc E. Slaff**
- Mass Isolation Of *Anopheles Stephensi* Salivary Glands, **Anthony B. Bosworth, Imogene Schneider and Jerome F. Freier**
- Dynamics Stable Fly Population On St. Croix In Relation To Control, R. S. Patterson, G. C. LaBrecque, **O. Skov and D. F. Williams**
- Larval Distribution Of Salt Marsh *Culicoides* (Diptera: Ceratopogonidae), **D. L. Kline and R. C. Axtell**
- A Comparison Of Biochemical And Morphological Data For Fourth Instar Larvae Of Three Species In the *Aedes* (*Ochlerotatus*) *Varipalpus* Group. **Steele R. Lunt**
- The Systematic Of *Culex Vishnui* Complex In Southeast Asia With the Diagnosis Of Three Common Species (Diptera: Culicidae), **Sunthorn Sirvannakarn**
- Mosquito Breeding In Sewage Oxidation Ponds And An Adjacent Sewage Irrigation Area-Belding, Michigan, **J. H. Zimmerman and H. D. Newson**
- Annual New Jersey Mosquito Surveillance Report, **Jere D. Downing and Lyle E. Haggmann**
- A Survey To Determine the Principal Nuisance Mosquitoes In Bergen County, **Herman A Ehrenberg**
- Incidence Of Adult Mosquitoes In Tucson, Arizona Collected In New Jersey Type Mosquito Light Traps, **John L. McDonald and G., S. Olton**
- How Clues From the Past Can Be Applied To Current Mosquito Control Problems Through Modern Technology, **Thomas D. Mulhern**
- A Pilot Mosquito Abatement District In New Jersey Rice Growing Areas Of Arkansas, **M. V. Meisch and L. E. Coombes,**
- Economics Of Coastal Mosquito Control, **D. V. Debord, G. A. Carlson and R. C. Axtell**
- Mosquito Investigation And Control In Tourist Development Areas In Mexico: I. Technical Bases For. And Initiation Of, Anti-Mosquito Measures In Cancun, Quintana Roo, Yucatan Peninsula, **Donald J. Pletsch**
- Mosquito Investigation And Control In Tourist Development Areas In Mexico: II. Preliminary Studies In Ixtapa, Guerrero (December 1972 - December 1973), **Amado Martinez-Palacios**
- Mosquitoes In Irrigated Areas-the Problems, **William F. Rapp**

- Problems And Progress Of the Central Massachusetts Mosquito Control Project, **Lawrence W. Smith and Richard S. Armstrong,**
- Laboratory Non-Thermal Aerosol Tests Of Insecticides For the Control Of Adult Mosquito, **A. H. Boike and C. B. Rathburn**
- Aerial Application Of Baygon For Adult Mosquito Control, **F. Knapp, J. Olsen and W. Carlson**
- Procedures And Problems Involved In Assessing the Droplet Size Of Insecticides Applied By Aerial, And Ground ULV Equipment, **Jacques A. Berlin**
- Abate - Granular Larviciding And Its Uniformity By Helicopter, **R. F. Schmidt, D. J. Sutherland and G. Fitzpatric**
- Comparison Of Two Chlorpyrifos Formulations And Two ULV Aerosol Generators Against Caged Mosquito, **S. R. Husted, J. A. Mulrennan, R. M. Frederick, D. A. Blair and H. J. U'Ren**
- Operational Characteristics Of Two Fluid Aerosol Generators, **N. B. Akesson, R. E. Cowden, P. Christensen, R. T. Shormont, D. E. Hudson and W. E. Yates**
- Chemical Control Of Coastal Biting Flies And Gnats, **J. C. Dukes and R. C. Axtell**
- Chemical Control Of *Culex Pipiens Quinquefasciatus* In Swine Waste Lagoons, **R. C. Axtell, D. A. Rutz and T. D. Edwards**
- Application Of Sumithion (OMS-43) In A Large Scale Trial Against *Anopheles Stephensi Mysorensis* In the Mamasani Area, Southern Iran, 1972-74, **N. Eshghy, M. Motabar and Mesghali**
- The Impact Of Malathion On *A Stephensi Mysorensis* In Southern Iran, **A. V. Manouchehri, E. Javadian and N. Eshghy**
- Preliminary Assessment Of Practical Alternates To the Hand-Wave Method For the Field Collection Of ULV-Size Aerosol Droplets, **E. S. Evans, C. D. Davenport, J. H. Nelson and N. E. Pennington**
- **Effect Of IGR Chemicals On *Psorophora Columbiae* And Non-Target Aquatic Insect Species In Rice Fields, C. D. Steelman, J. E. Farlow and T. P. Breaud**
- An Evaluation Of Operational Floodwater Mosquito Control With Altosid SR-10 In 1974-Emphasis On Breeding Sites In the Florida Wetlands, **J. H. Turrenting and W. H. Palmer**
- Preliminary Results Of Low Volume Applications Of Altosid And Th6040 Against *Aedes Taeniorhynchus*, **M. E. C. Giglioli**
- Laboratory And Small Plot Field Tests Of Altosid And Dimilin For the Control Of *Aedes Taeniorhynchus* And *Culex Nigripalpus* Larvae, **C. B. Rathburn and A. H. Boike**
- Arylterpenoid Compounds As Mosquito Developmental Inhibitors, **David A. Dame, Ronald E. Lowe and Meyer Schwarz**
- Some Larvicidal Properties Of Mucilaginous Plant Seeds, **J. T. Barber and C. R. Page III**
- Reevaluation Of Some Effects Of Water Management On the Mispillion Marsh, Kent County, Delaware, **Joseph K. Shisler, Frederic H. Lesser and Terry L. Schulze**

PAPERS OF THE 1974 NJMCA ANNUAL MEETING

- Address Of the President, **George E. Cornman**
- Report Of the State Mosquito Control Commission, **J. Arthur Jones**
- The Associated Executives Of Mosquito Control In New Jersey, **Robert B. Dreyer**
- A Report From the Northeast, **Robert W. Spencer**
- New Hampshire Experience In Spraying For Wee And EEE In New England, 1973, **Arthur H. Mason**
- The Massachusetts Experience, **Lewis F. Wells**
- Rhode Island Report On Eastern Equine Encephalitis In 1973, **Dennis J. Murphy**
- Supplying Insecticide For Mosquito Control Air Spray Operation In Massachusetts, New Hampshire and Rhode Island-August-September, 1973, **Paul R. Regan**
- Present Knowledge Of Eastern Equine Encephalomyelitis, **Herbert K. Maxfield**
- Gaps In Our Knowledge Of EE, **Richard O. Hayes**
- Some Effects Of Mosquito Control Work On Upland Swamps And Salt Marshes, **Lee Widjeskog**
- Steps To Resolve Commission-Environmentalist Conflicts, **Ian R. Walker**
- The County Program And the Ecology Movement, **Richard W. Lombardi**
- An Unexpected Effect Of Mosquito Control, **Katherine B. Roop**
- Presidential Message, **Robert M. Altman**
- The Role Of Community Education In Mosquito Control, **Robert M. Altman**
- The Role Of Community Education In Mosquito Control In the Resort Areas, **Paul J. Hunt**
- The Role Of Community Education In Mosquito Control, **George T. Carmichael**
- The Importance Of Mosquito Control On A World Wide Basis, **A. W. A. Brown**
- Luncheon Banquet Address, **Edward S. Bloustein**
- The Cost Of Supplementary Municipal Work In A County Mosquito Control Program, **John C. Kuschke**
- New Approaches To Planning For Salt Marsh Programs, **Patrick T. Slavin**
- The Effects Of geographical Diversity On Planning A mosquito Control Program, **Walter R. Davis and Robert W. Helm**
- Work Of Typical Mosquito Control District In Virginia, **Rowland E. Dorer**
- What the Future Holds, **Ronald B. Turner**
- The Growth Of Budgets In Relation To Accomplishments In Mosquito Control, **Spencer S. Marsh**
- What Mosquito Control Means To the Urban Population, **Mildred Leach**
- What Mosquito Control Means To the Economy Of Resort Counties, **William E. Strum**
- Ovarian And Life History Studies Of the Aedes Stimulans Complex (Diptera: Culicidae) Near Ithaca, New York, **Louis A. Magnarelli**
- Sewage Effluent Irrigation: Impact On the Mosquito Populations Of A Woodlot, **R. L. Beaudoin, William Wills, R. G. McLean and D. E. Davis**
- Highlights Of Mosquito And Disease Studies On Planet Earth In 1973, **Helen Sollers-Riedel**

- Acarine Parasites Of Mosquitoes. III. Collection, Preservation And Rearing Techniques Used To Study Water Mites (Acarina: Hydrachnellae) Parasitic On Mosquitoes, **Gray R. Mullen**
- Mini-panel: Initial Studies Of Abate In A Salt -marsh Ecosystem, Introductory Remarks, **Andrew J. Forgash**
- Methods Of Evaluating Effects Of Mosquito Larvicide (Abate) On Non-Target Salt -Marsh Organisms, **Donna A. Busch**
- Initial Studies Of Abate In A Salt -Marsh Ecosystem- Chemical Studies, **William F. Carey**
- Initial Studies Of Abate In A Saltmarsh Ecosystem Sampling the Non-Target Insect Component, **Robert F. Denno**
- Experiences With Ground ULV Equipment, **Henry R. Rupp and Donald J. Sutherland**
- Mosquito Population In Areas Under Water Management, **Judy A. Hansen**
- New Jersey Mosquito Surveillance Report, **Jere D. Downing and Lyle E. Hagmann**
- Polymer Formulations For As Mosquito Larvicides, A Summary Of US Army Environmental Hygiene Agency Investigation, **Edward S. Evans, James H. Nelson and Neil E. Pennington**
- Is Egg Sampling An Effective Tool For County Mosquito Commissions, **H. A. Ehrenberg and J. Knoedl**
- Mavcap (Mosquito And Vector Control Association Of Pennsylvania) Its Growth, Development And Future, **Stanley G. Green**

PAPERS OF THE 1973 NJMCA ANNUAL MEETING

- Address Of the President
- The Role Of the Mosquito Control Coordination Committee, **Grant Walton**
- The Experiment Station And Mosquito Control, **Charles E. Hess**
- Highlights Of Global Mosquito Activities In 1972, **Helen Sollers-Riedel**
- A Report From the Northeast, **Robert W. Spencer**
- Freeholder Views County Mosquito Control, **Peter Daly Campbell**
- Mosquito Control-Coordination With Other County Agencies, **Thomas Sellers**
- Students On Environmental Impact Of Organophosphorous Pesticides On Salt Marshes, **Diana Valiela Ward**
- Ultra Low Volume Insecticide Applications For Mosquito Control, Introduction, **D. J. Sutherland**
- Problems With ULV Applications In Massachusetts, **R. L. Armstrong**
- Evaluation Of Ground Applications For Adult Mosquito Control In Maryland, **Stanley R. Joseph, W. Brinton Sagle III And Jerry Mallack**
- Ultra Low Volume Aerial Application From Radio Controlled Model Airplane, **George Whitmyre, and Frank J. Murphey**
- Drift Of ULV Applications, **D. J. Sutherland H. R. Rupp, M. Siewierski and G. Winnett**
- Local Meteorological Conditions And ULV, **A. Vaughn Havens**

- The Respiratory Effect Of ULV (Ultra Low Volume) Spraying, **Morton Lippmann**
- Environmental Quality, **Billy Ray Wilson**
- Cape May County Mosquito Extermination Commission Budget Preparation- Concerns Today, **Boyd Lafferty**
- The Effect Of Ground ULV Applications On Natural Mosquito Populations As Evaluated By Landing Rate Counts, **K. W. Ludlam, R. A. Berry and S. R. Joseph**
- Integrated Control Of Blood-Sucking Diptera In Seashore Areas, **Elton J. Hansens**
- The Responsibility Of the Commissioner In Education, **Robert L. Finlay**
- The Responsibility Of the Commissioner In Government Relationships, **Shirley Ten Eyck**
- On Being A Responsible Commissioner, **Aaron H. Pappaport**
- The Role Of the Commissioner In Environmental Considerations In Mosquito Control, **Fred Ferrigno**
- Succession Of Mosquito Species In A Woodland Snowpool In Pennsylvania, **William Wills and Durland D. Fish**
- Pioneer Plants On Spoil Piles Associated With Mosquito Ditching, **Joseph K. Shisler**
- The Use Of Plaster Of Paris Insecticidal Briquettes In Virginia, **Rowland E. Dorer**
- Federal Regulations On Pesticides: Broad Objectives And Practical Considerations In Their Application **Alex A. Labonski**
- New Jersey Implements Pesticide Regulations, **George L. Beyer**
- Complying With Pesticide Laws And Regulations, **Ray R. Kriner**
- Radar Entomology On the Great Plains, **E. Frost and J. Robinson**
- Modification Of the Electrical System Of the CDC Miniature Light Trap, **David F. Carroll and William Wills**
- Mosquito Commission Equipment Needs In An Urban Situation, **Robert W. Helm**

PAPERS OF THE 1972 NJMCA ANNUAL MEETING

- Address Of the President
- The Role Of the State Mosquito Control Commission In New Jersey Mosquito Work, **J. Arthur Jones**
- Change And the Experiment Stations Concerns In Wetlands Research, **Charles E. Hess**
- Highlights Of the 1971 Global Mosquito Situation, **Helen Sollers-Riedel**
- The Changing Role Of the Division Of Fish Game And Shellfisheries In Wetland And Estuarine Management, **Russell A. Cookingham and Paul D. McLain**
- Massachusetts Pesticide Regulations As They Affect Mosquito Control, **Lewis F. Wells**
- Approaches To Mosquito Control On the Marshes Of the Great Salt Lake, Utah, **Glen C. Collett and Don M. Rees**

- Mosquito Control In Florida Salt Marshes(A Slide presentation), **A. J. Rogers**
- A Year's Experience With ULV Fogging In Virginia, **C. E. Tatem and R. E. Dorer**
- Food Additives, Drugs And Pesticides: Parallelism In Science And Society, **Ernest Ruber**
- A Regional Approach To Mosquito Control In the Great Bay Area Of New Jersey, **Patrick T. Slavin**
- Some Future Possibilities, **Leland G. Merrill**
- Evaluation Of SBP-1382 Aqueous Pressurized Spray And Aerosol Formulations, **K. W. Ludlam, R. A. Berry and S. R. Joseph**
- Pesticide Use On Federal Wetlands In the Northeast, **John W. Peterson**
- Body Weight And Blood Meal Weight As Factors Affecting Egg Production Of the Tree-Hole Mosquito, **Aedes Triseriatus**, **Alan Cochrane**
- Recent Radar Observations Of Diurnal Insect Behavior, **Jere D. Downing and Emerson L. Frost**
- A Comparison Of Mosquito Collections Taken From Day Ice Supplemented And Non-Supplemented Modified New Jersey Light Traps, **George J. Bordash, David S. Adam, Walter R. Gusciora, Oscar Sussman, D. V. M. And Martin Goldfield**
- A Search For A Possible Overwintering Arthropod Reservoir For EE Virus, **W. Gusciora, D. Adam, G. Bordash, O. Sussman and M. Goldfield**
- Use Of Domestic Rabbits As Indicators As Indications For California Encephalitis Virus In Pennsylvania, **William Wills and Vern Pidcoe**
- Tests (1971) With Black Fly Larvicides, **D. C. Kurtak, B. V. Travis and J. R. Meyer**
- The Occurrence Of Enzootic Mosquito Pathogens In New Jersey, **L. E. Hagmann**
- Evaluation Of Seven Insecticides Applied As Ground ULV Aerosols For Adult Mosquito Control, **R. M. Altman, R. A. Berry, S. R. Joseph, K. W. Ludlam and J. Mallack**
- Experiments With ULV In New Jersey, K. Bruder, **D. J. Sutherland and H. R. Rupp**
- Incidents Of Fish Mortalities In Cape May, New Jersey, In 1971, **D. J. Sutherland, K. Helrich and M. Siewierski**
- New Amphibious Equipment For Mosquito Control On Tidelands, **Arthur Levick**
- An Appraisal Of the Bass River State Forest Mosquito Control Program, **Joseph L. Lomax , S.J. Walker and John R. Waters**
- Mosquito Populations In Northwest New Jersey Based On Light Trap Collections, **Lyle E. Hagmann and Mark F. Feldlaufer**
- Wetlands Regulations In New Jersey, **Richard D. Goodenough**

PAPERS OF THE 1971 NJMCA ANNUAL MEETING

- Address Of the President
- The New Jersey Agriculture Experiment Station And New Jersey Mosquito Work, **Leland G. Merrill**

- Report Of the State Mosquito Control Commission, **Eleanor Martin**
- Some Ecological Aspects Of Mosquito Control, **Frank J. Murphey**
- World Aspects Of Mosquito Activities In 1970, Highlights, **Helen Sollers-Riedel**
- Environmental Awareness Should Be A Commissioner's Tool, **W. Layton Hall**
- Freeholder-Commissioner Responsibilities In Somerset County, **Doris W. Dealaman**
- Mosquito Control - An Important Part Of Wetlands Management, **Russell A. Cookingham**
- Mosquitoes And Allergic Dermatitis In Horses, **Edgar M. Raffensperger**
- Current Laboratory Procedures For the Development Of Improved Insect Repellents At Rutgers-The State University, **Joseph L. Lomax and Philip Granett**
- The Use Of Insecticides By the East Middlesex Mosquito Control Project, Waltham, Massachusetts, **R. L. Armstrong**
- What Is New In Pesticide Wildlife Research, **Walter W. Dykstra**
- The Legal Approach To Mosquito Control, **Robert L. Vannote**
- The Effectiveness Of SBP-1382 As A Mosquito Adulticide Applied As A Mist Spray, ULV Concentrate And Pressurized Aerosol, **Stanley R. Joseph, Jerry Mallack, Robert A. Berry and George S. Langford**
- A Mechanical Approach To the Abatement Of the Greenhead Fly(*Tahanus nigrovittatus*), **Robert W. Spencer**
- Field Evaluation Of the New Synthetic Pyrethroid Chemical, SBP-1382, As A Larvicide, **D. J. Sutherland And H. R. Rupp**
- Radar Returns And Correlated Insect Trapping Data, **Emerson Frost**
- Sweeping As A Mosquito Sampling Technique, **Gray R. Mullen**
- The Associated Executives In the Past 20 Years, **D. M. Jobbins**
- Passaic River Regional Project, **Emil L. Amabile**
- Effectiveness Of 50 Selected Insecticides As Residual Sprays Against Anopheline Mosquitoes, **H. G. Wilson, G. C. LaBrecque and D. E. Weidhaas**
- Mosquito Control In A Landfill With Abate And Observations On Fish, Shrimp And Blue Crabs In the Adjacent Estuary, **Jerry Mallack and George S. Langford**
- Preliminary Mosquito Survey Of the Wharton State Forest-Summer 1970, **E. S. Evans And L. G. McCuiston**
- Preliminary Studies Of Blood-Meal Source Preferences And Olfactory Responses Of *Aedes Triseriatus* (Say) With Notes On the Biology Of the Species, **J. L. Benach, L. G. McCuiston And J. Azzone**
- Marshes, Mosquitoes And Mathematics, **Dennis F. Rio**
- Further Studies On ULV Ground Applications For Adult Mosquito Control, **Robert A. Berry, Stanley R. Joseph And E. Elwood Lynch**
- Soil Conservation Service And Mosquito Commission Cooperation In Middlesex County, New Jersey, **Marion A. Hawkins**
- Salt Marshes, Fish And Man, **Derickson W. Bennett**
- Primary Producers, Pesticides And Pyramid, **Ernest Ruber**
- Construction Practices For Mosquito Control And Wetland Conservation, **E. Elwood Lynch and George S. Langford**

- Bulking Dibrom 14 For Ultra Low Volume Applications To Control Adult Mosquitoes, **Stanley R. Joseph, Robert A. Berry and George S. Langford**
- Diurnal Resting Sites Of Mosquitoes Based On Sweeping Collections In Central New York, **Gray R. Mullen**

PAPERS OF THE 1970 NJMCA ANNUAL MEETING

- Address Of the President
- Eastern Encephalitis In New Jersey During 1969, **Martin Goldfield and Oscar Sussman**
- Qualifications Of An Effective Mosquito Commissioner, **H. Cory Walling**
- Current Knowledge Of the Fate of Pesticides In the Environment, **Billy Ray Wilson**
- The Effects Of the Proposed Pesticide Restrictions On Research Needs, **Leland G. Merrill**
- Greeting From the American Mosquito Control Association, **A. W. Buzicky**
- A Summary Of the Current Status Of Mosquito Control In Upper Midwest, **A. W. Buzicky**
- Fifty Years Of *Aedes Sollicitans* Populations In Ocean County, New Jersey, **Alphonse W. Kelley**
- Ocean County, N. J. Trap Records, **Fred H. Lesser**
- Some Safety Practices In Mosquito Control, **Charles A. Nelson and R. E. Dorer**
- Tracking Insect Swarms By Radar: A Feasibility Study, **Emerson L. Frost**
- "A New Breed Of Cat" - CH Basin, **Ralph C. Lutes**
- An Evaluation Of the Effectiveness Of Natural Pools, Blind Sumps And Champagne Pools In Reducing Mosquito Production On A Salt Marsh, **Anthony Bodola**
- The Natural History Of the Genus *Culiseta* In Alaska, **Cluff E. Hopla**
- Observations Of A Colony Of *Culex Territans* Walker, **Jorge L. Benach**
- Mosquito Diapause And Mosquito Control, **Mary Ellen Clay and Carl E. Venard**
- Preliminary Effects Of Open Marsh Water Management On the Vegetation And Organisms Of the Salt Marsh, **Fred Ferrigno**
- The Freeholder's View Of Mosquito Control, **Paul R. Anapol**
- A laboratory Study Of the Effects Of Abate And Malathion On the Fiddler Crab, **Dennis F. Rio**
- The Current Status Of Black Fly Investigations In New Jersey, **Wayne J. Crans And Linda G. McCuiston**
- Tests (1969) With Black Fly Larvicides, B. V. Travis, **D. C. Kurtak and L. C. Rimando**
- Bionomics Of Black Flies In Costa Rica II An Ecological Consideration, **B. V. Travis and Mario Vargas V.**
- Effects Of Temperature On Relative Abundance Of *Culex Tarsalis* COQ And *Culiseta Inornata* (Williston) Larvae In Utah, **Jay E. Graham and Iver E. Bradley**

- Dynamics Of An Isolated Population Of Culex Pipiens Quinquef Asciatus Say, **D. E. Weidhaas, J. A. Fluno R. S. Patterson, C. S. Lofgren and H. R. Ford**
- Fruit Feeding Of Mosquitoes In Nature, **Stanley r. Joseph**
- The Salvation Of the Association, **Robert L. Vannote**
- A Sanitary Mixing Rig For Field Formulation Of Insecticides, **Henry R. Rupp**
- Evaluations On Mist Spray Formulations For Adult Mosquito Control, **Jerry Mallack, Robert A. Berry and Stanley Joseph**
- The States Of Sprays For Adult Mosquito Control In Maryland, **Robert A. Berry, Stanley R. Joseph and Jerry Mallack**
- A Preliminary Survey of the Mosquito Fauna Of Silver Dover Delaware, **Paul T. Sandridge**
- Tidal Marsh Hydraulics In Mosquito Control Water Management, **D. M. Jobbins**
- Biting Fly Control And the Pollution Problem, **A. S. West**
- The Parasitism Of Mosquitoes By Hydracarina Or Water Mites, **Robert M. Crowell**
- Newer Chemicals For Mosquito Control, **D. J. Sutherland**
- Native Fish For Mosquito Control - A Reassessment, **Joseph L. Lomax**
- Distribution Of Wyeomyia Species In New Jersey, **George E. Coyne and Lyle E. Hagmann**
