

Table of Contents from 1990 to 1999 of NJMCA Annual Meetings

Proceedings of the Association's annual meetings are published each year. The table of contents for Proceedings issued from 1990 to 1999 are available below. In addition to the referenced papers each proceedings includes a list of the NJMCA Officers, Trustees, Past Presidents, Mosquito Extermination Commissions and Mosquito Control Agencies in New Jersey and Business Meeting minutes.

Papers of the 1999 NJMCA Annual Meeting

- New Jersey Mosquito Control Association Presidential Address **Marc Slaff**
- Department of Entomology Update **George Hamilton**
- Report from the State Mosquito Control Commission **Leonard E. Spiegel and Kenneth W. Bruder**
- Profile of the Morris County Mosquito Extermination Commission **Marc Slaff**
- Field Evaluations of Altosid XR-G **John Mathwig and Bill Jany**
- Efficacy and Cost Effectiveness of Vectolex CG Applications **John Mathwig and Bill Jany**
- Operational Effectiveness of Aerial Applied Anvil 10+10 (NEET) to Natural Mosquito Populations **Bill Jany and Fran Krenick**
- Clarke's Research and Development Department: One Company's Commitment to Our Industry **Bill Jany and Fran Krenick**
- Does Bi-voltinism in *Culiseta melanura* Regulate the Amplification Cycle of EEE? **Wayne J. Crans and Farida Mahmood**
- Evaluation of *Culiseta melanura* (Coquillett) Emergence in New Jersey by Parity Determination **Tadhgh Rainey**
- Avian Breeding, Nesting and Migration Cycles in New Jersey **Lisa Reed and Wayne Crans**
- Habitats Utilized By Host-Seeking *Coquillettidia perturbans* (Walker) in New Jersey **Peter J. Bosak, Lisa Reed and Wayne J. Crans**
- *Aedes albopictus*, a Potential Epidemic Vector of EEE in Southern New Jersey **Jamesina Scott**
- The New Jersey State Mosquito Airspray Program: the Last Ten Years, The Next Ten Years **Robert Kent**
- Water Management for Mosquito Control using Weather Stations and the Internet **Rob Cermak, Steven Quesenberry, Jeff Goalen and Lola Quesenberry**
- A Modified *Gambusia affinis* Trap for Mosquito Control **Robert Duryea**
- The Debut of EEE in Warren County, New Jersey **Christine Musa and Robert Duryea**
- *Aedes albopictus* Found in Gloucester County, New Jersey **John Sweet and Jamesina Scott**

- *Aedes japonicus* in New Jersey and New York - The First United States Records **Michael Romanowski, Scott Campbell, Dominic Ninivaggi and Wayne J. Crans**
- An Update on New Jersey's Blackfly Control Program in the Delaware River **James R. McNelly and Wayne J. Crans**
- Colony Maintenance and Handling of Infected Mosquitoes in the Laboratory **Farida Mahmood**
- Report of the Associated Executives of Mosquito Control Work in New Jersey **Christine Musa**
- Eastern Equine Encephalitis in New Jersey During 1998 **Wayne J. Crans**

Papers of the 1998 NJMCA Annual Meeting, dedicated to the memory of Bunny Hajek

- Report from the American Mosquito Control Association **William J. Zawicki**
- Title 26 -- Overview and Applicability Today **John C. Kuschke**
- Evaluation of Vectolex CGO against *Culex salinarius* and Several Non-Culex Species in Cape May County, New Jersey. **Gary L. Benzon and James R. McNelly**
- Monomolecular Surface Films: What, When, Where, How? **Barbara Stefl**
- Laginex ASä -- Biological Larvicide **J. Lyle Clarke, III**
- Report from the State Mosquito Control Commission **Leonard E. Spiegel and Kenneth W. Bruder**
- Bog Turtle Distribution and Habitat Preference in New Jersey **James C. Sciascia**
- Experiments on the Control of Salt Marsh *Aedes cantator* and *Aedes sollicitans* with *Bacillus sphaericus* (Vectolex) and an Assessment of Possible Side-Effects to Copepods **Ernest Ruber, Jack A. Card, Daniel L. Graf, Maggie Bowers, Robin Januszewski, and Walter G. Montgomery**
- The Successful Re-Establishment of Connecticut's Mosquito Management Program **Paul Capotsto**
- Biology of a New Strain of *Wyeomia smithii* **Farida Mahmood and Wayne J. Crans**
- Report of the Associated Executives of Mosquito Control Work in New Jersey **Christine Musa**
- *Aedes thibaulti* from Sussex County, New Jersey **Scott C. Crans and Wayne J. Crans**
- New Jersey's Wildlife Management Area System **Tony Petrongolo**
- The Tuckahoe Wildlife Management Area Open Marsh Water Management Project: Changes After 20 Years **Kathleen Pritchard and Lee Widjeskog**
- Myths and Misconceptions About Bats **Rick Dutko**
- New Jersey's Participation in the Environmental Protection Agency's Pesticide Environmental Stewardship Program **Kenneth Bruder**
- Mosquito Control in Delaware Dredge Spoil Impoundments **Tom Moran**
- Mosquito Control Following a 30,000 Year Rainfall Event **William Reinert**

- Incidence and Geographic Distribution of Eastern Equine Encephalitis in Horses from 1975-1997 in New Jersey **Tadhg Rainey and Wayne J. Crans**
- Why Hasn't the Tiger Mosquito Taken Over New Jersey? An Examination of the Effect of Temperature on the Ability of *Aedes albopictus* to Compete with *Aedes triseriatus* and *Aedes atropalpus* in the Northern United States **Jamesina Scott**
- Structure and Use of the Breathing Siphon in *Coquillettidia perturbans* (Walker) **Peter J. Bosak**
- Tick Biology, Lyme Disease Epidemiology, Prevention of Tick Bites, and Lyme Disease Transmission **Deborah Smith-Fiola**
- Status of Tick-Bourne Disease in New Jersey -- 1997 **Terry Schulze**
- A Veterinary Perspective of Lyme Disease **Anne Pierok**
- Tick Management Legislation for New Jersey **Martin S. Chomsky**
- The New Jersey State Mosquito Airspray Program 1997 **Robert Kent**
- Eastern Equine Encephalitis in New Jersey During 1997 **Wayne J. Crans**

Papers of the 1997 NJMCA Annual Meeting

- Presidential Address, **Thomas E. Murray**
- American Mosquito Control Association Update, **Dan Ariaz**
- Some Reminiscences on Daniel Manley Jobbins and His Contributions to Educations and Mosquito Control, **Ernest Ruber and Wayne J. Crans**
- Daniel Manley Jobbins, **Lyle Hagmann**
- Aircraft Calibration, **William Zawicki**
- Granular Larviciding, **Barbara L. McKelvey**
- Emergency Mosquito Control after Hurricane Fran, **Nolan H. Newton**
- Mosquito Life Style Classification: *Aedes communis* (DeGeer), **Scott Crans and Wayne J. Crans**
- The Multivoltine *Culex/Anopheles* Life Cycle, **Peter J. Bosak**
- A Variation on the Multivoltine *Culex/Anopheles* Life Cycle: *Culiseta melanura*, **Ellen P. Orrell**
- An Example of a Specialized Mosquito Life Cycle: *Wyeomyia smithii*, **James R. McNelly**
- A Classification System for the Life Cycles of Mosquitoes in New Jersey, **Wayne J. Crans and James R. McNelly**
- History of New Jersey's First Black Fly Treatment Program, **John Grande**
- Investigation of the Causes for Clan Hatchery Mortality, **Roy Meyer**
- What Does an Editor Do? A Swan Song, **Henry Rupp**
- Wetlands Management Contracts, **Walter G. Montgomery**
- Partnerships in Wetland Rehabilitation at the Milford Neck Focus Area, **Roger Wolfe**
- Extending the Limits, **John Kranz**
- Diked Salt Hay Farm Wetland Restoration, **Kenneth A. Strait**
- Report from the State Mosquito Control Commission, **Leonard E. Spiegel and Kenneth W. Bruder**

- Temperature Effects on the Development of Immature *Culiseta melanura*, **Farida Mahmood and Wayne J. Crans**
 - Field Trials of Vectorex CG in New Jersey, **Dana Chort, Claudia O'Malley, Roderic Schmidt and Mike Romanowski**
 - The Overwintering Mechanism of Eastern Equine Encephalitis in a Coastal Cedar Swamp, **Ellen P. Orrell**
 - Preliminary Studies of the Population Dynamics of *Coquillettidia perturbans* and its Relevance to Eastern Equine Encephalitis Virus in New Jersey **Peter J. Bosak**
 - The New Jersey Airspray Program, **Robert Kent**
 - Eastern Equine Encephalitis in New Jersey During 1996, **Wayne J. Crans**
-

Papers of the 1996 NJMCA Annual Meeting

- Presidential Address, **James R. McNelly**
- 1995: The Year of the Tiger: Highlights of the Discovery of *Aedes albopictus* in Monmouth County, New Jersey, a New State Record, **Douglas Guthrie**
- Larval Habitats of *Aedes albopictus* in New Jersey, **Wayne J. Crans**
- Surveillance and Control Recommendations for the Asian Tiger Mosquito in New Jersey: Report of the *Aedes albopictus* committee, **Marc Slaff, Kenneth W. Bruder, Martin S. Chomsky, Judy A. Hansen, and William C. Reinert**
- New Strategies for Dengue Control, **John Edman**
- Multiple Chemical Sensitivity, **Suellen Pirages and Cindy L. Richard**
- Pesticide Safety and Transportation in Mosquito Control Operation, **Peter Connelly**
- Risk Communication Strategies, **Suellen Pirages**
- Use of Altosid® for Saltmarsh Mosquito Control, **Michael Romanowski**
- The Camden County Mosquito Extermination Commission, **Howard S. Emerson**
- Report from the State Commission, **Dr. Leonard E. Spiegel and Dr. Kenneth W. Bruder**
- Biology of New Jersey's Black Fly Populations: Life Cycles and Species, **Wayne J. Crans**
- Survey of Warm Season Blackflies of Bucks and Northampton Counties in Pennsylvania, **Daniel Arbegast**
- Environmental Impact of Pennsylvania Black Fly Control Programs on Fish and Aquatic Invertebrates, **Joseph C. Brancato**
- Neighbors Against Gnats, **Joanne Cole**
- Cascading Trophic Interaction: Observations from Bats and Birds in the Food Chain, **Emile DeVito**
- Camden County Pilot Project Using Geographic Information Systems to Compare Data and Mosquito Surveillance Records to Historic Cases, **Joan Cook Luckhardt, Howard S. Emerson and Thomas Murray**
- Detection of Eastern Equine Encephalitis Virus in Wild-Caught *Culiseta melanura* Females by the Reverse Transcriptase Chain Reaction: The 1995 Trials, **Farida Mahmood**

- *Gambusia affinis* Effectiveness in New Jersey Mosquito Control, **Robert Duryea, Jeffrey Donnelly, Douglas Guthrie, Claudia O'Malley, Michael Romanowski and Roderic Schmidt**
 - The Ten Most important Mosquito Species in New Jersey, **Wayne J. Crans**
 - Simple Structural Modifications to Ovitrap Affect oviposition Response by Wild *Culex pipiens* and *Culex restuans*, **Denise A. Walther and Richard G. Webber**
 - Substrate, Age, and Concentration of Attractant Infusion Influences Ovitrap Responses of Wild *Culex pipiens* and *Culex restuans*, **Richard G. Webber and Susan E. Ellis**
 - Field Testing of a Miniature Larval Light Trap, **Joseph Graber**
 - The New Jersey Airspray Program, 1995, **Robert Kent**
 - Eastern Equine Encephalitis in New Jersey During 1995, **Wayne J. Crans**
 - Addenda and Errata
 - Environmental Partitioning of Aerially Applied Dibrom® in Cicero Swamp, **E. Michaelenko, C. Calkins, F. Krenick and J. Duflo**
-

PAPERS OF THE 1995 NJMCA ANNUAL MEETING

- Presidential Address, **Thomas M. Candeletti**
- Report from the State Mosquito Control Commission, **Leonard Spiegel and Kenneth Bruder**
- The Northeast Mosquito Control Association, **Robert Kent and John C. Kuschke**
- Eastern Equine Encephalitis Virus in Suffolk County, Long Island, New York, 1994, **John Howard, Joanne Oliver, Samir Guirgis, and John P. Woodall**
- Detection of Eastern Equine Encephalitis Virus in Wild-Caught *Culiseta melanura* by the Reverse Transcriptase Polymerase Chain Reaction (RT-PCR) during the 1994 Vector Surveillance Season in Southern New Jersey, **Farida Mahmood**
- Japanese Quail as Sentinels for Eastern Encephalitis Virus, **Nicholas Komar and Andrew Spielman**
- EEE Outbreak at an Emu Farm in Atlantic County, NJ, **William Reinert**
- Management of Bird Strike Hazards at Airports: A Habitat Approach, **Donald F. Caccamise, Lisa A. Reed, Gerald J. Dosch, and Karen Cotter**
- An Introduction to the ABC Trap, **James R. McNelly**
- Resting Boxes as Mosquito Surveillance Tools, **Wayne J. Crans**
- Apparent Relative Seasonal Abundance of *Culex restuans* and *Culex pipiens* May Be Influenced by Ovitrap Location, **Denise A. Walther and Richard G. Weber**
- Enhancing a Field Site for Studying *Culex* Species Oviposition Behavior, **Richard G. Weber and Denise A. Walther**
- For Your Eyes Only: Recording Inspection and Pesticide Application - One County's Approach, **Dana Chort**

- Organization and Operations of the Metropolitan Mosquito Control District, **Joseph F. Sanzone**
- The Sussex County Mosquito Control Program, **Scott C. Crans**
- What Do You Do in the Wintertime? **Richard Candeletti**
- Wildlife Habitat Restoration in a Cattail Swamp, **Paul Capotosto**
- The Evaluation of a Hovercraft for Reaching the Habitat of Mosquito Larvae in Camden County, NJ, **Howard S. Emerson and Thomas E. Murray**
- Integrated Mosquito Management, **Henry R. Rupp**
- Field Evaluation of Methoprene/Biodac Formulations on Saltmarsh Mosquitoes in Delaware, **Roger Wolfe and Scott Kline**
- Ground ULV Application of Two Permethrin Formulations, **James R. McNelly and Gary L. Benzon**
- Building Partnerships for Progress in Mosquito Control, **Martin S. Chomsky, M.P.H.**
- Managing Nuisance and Damage Problems Caused by Beaver (*Castor canadensis*) in New Jersey, **Robert E. Eriksen and Bradford Holloway**
- The Most Constant Thing in Life Is Change: The Rationale for Mosquito Control Community Involvement in Lyme Disease Prevention, **Terry L. Schulze**
- Eastern Equine Encephalitis in New Jersey During 1994, **Wayne J. Crans**
- Addenda and Errata
- A Report on the New Jersey State Airspray Program, **Robert Kent**
- Supplement to "*Gambusia affinis*: An Alternate View", **Henry R. Rupp**

PAPERS OF THE 1994 NJMCA ANNUAL MEETING

- Presidential Address, **Robert Kent**
- AMCA Update, **John Mulrennan and Thomas Candeletti**
- Observations on the Variation in the Sampling of ULV Droplets, **Roderic F. Schmidt**
- A Field Evaluation of Altosid Granular Formulation--SAN 810, **Michael Romanowski, Richard Candeletti and Thomas Candeletti**
- Aerial Application of Altosid Liquid Larvicide (A.L.L.) Concentrate--Practical Observations of an Alternate Pesticide, **Richard Candeletti and Michael Romanowski**
- Laboratory and Field Evaluation of Methoprene Formulated on Biodac, **James R. McNelly and Cyrus R. Lesser**
- Cultivation of Pyrethrum in New Jersey and the Use of Pyrethrum Powder as a Mosquito Larvicide, **Cecil C. Still**
- *Gambusia affinis*: An Alternative View, **Henry R. Rupp**
- Implementation of a Study to Determine the Effectiveness of Native Fish in Mosquito Control Sites on Cape Cod, Massachusetts, **Gabrielle Sakolsky**
- From Mosquito Control to Marsh Restoration, **Paul Capotosto**
- Duck Habitat and Open Marsh Water Management, **Lee Widjeskog**
- Fishing Creek Wetlands Restoration Project Update, **Judy Hansen**

- Arbovirus Surveillance in the Midwest Flood, **Gordon C. Smith**
- Lessons of the Great Flood of 1993, **Bill Kottkamp**
- I Must Have Been a Dreamer to Put My Faith in FEMA, **Martin S. Chomsky and Leita J. Hulmes**
- Design and Installation of Portable Pump Systems, **Charles Heitz**
- Detection of Eastern Encephalitis Virus by the Polymerase Chain Reaction and Dot Blot, **Philip M. Armstrong, Benjamin Rosenthal, Nicholas Komar, Yvonne Gonzalez, Donald Buckley, Barbara Werner, Charles Morris, Dov Borovsky and Andrew Spielman**
- The Economic Burden Imposed by a Case of Eastern Encephalitis, **Paolo Villare, Andrew Spielman, Nicholas Komar, Michael McDowell and Ralph Timperi**
- Population Dynamics of *Culiseta melanura* in Southern New Jersey **Farida Mahmood and Wayne J. Crans**
- The Passerine Reservoirs of Eastern Equine Encephalitis in Coastal Areas of New Jersey, **Wayne J. Crans, Donald F. Caccamise and James R. McNelly**
- Experimental Infection of Glossy Ibises and Snowy Egrets with Eastern Equine Encephalitis Virus, **Robert G. McLean, Wayne J. Crans, Donald F. Caccamise, James R. McNelly, Carl J. Mitchell and Larry J. Kirk**
- Critical Host and Vector Densities for Epidemic Transmission of Eastern Encephalitis Virus: A Model, **Nicholas Komar, Tamara Awerbuch, Richard Levins and Andrew Spielman**
- Report from the State Mosquito Control Commission, **Kenneth W. Bruder**
- Rutgers' Vision for a Sustainable Environment: An Initiative with the Potential to Expand the Rutgers/NJAES Role in Mosquito Control, **William R. "Rod" Sharp**
- Laboratory Colonization of *Culiseta melanura* from Southern New Jersey, **Farida Mahmood and Wayne J. Crans**
- Planimeter Use in Mosquito Control, **Edward W. Rock**
- The Relationship between Effective Control and Droplet Number and Volume Distribution, **Perry Phillips and Ed Kutzner**
- Blackfly Suppression: The Pennsylvania Experience, **Daniel H. Arbegast**
- The Good, the Bad and the Ugly: The Last Ten Years at East Volusia Mosquito Control District, **John C. Gamble**
- EEE in New Jersey during 1993, **Wayne J. Crans**
- The New Jersey State Airspray Program, 1993, **Robert Kent**

PAPERS OF THE 1993 NJMCA ANNUAL MEETING

- Presidential Address, **William C. Reinert**
- New Jersey Bureau of Freshwater Fisheries Mosquitofish Policy, **Mark Boriek**
- County experience with Mosquitofish, **Robert D. Duryea**
- The State Bio-Control (Mosquitofish) Program: A first-year report, **Robert Kent**
- Swamp pink (*Helonias bullata*), a federally-listed threatened plant, **Dana Peters**
- A lightweight mechanical aspirator for collecting resting mosquitoes in the field, **James R McNelly**

- Report from the State Mosquito Control Commission, **Dr. Leonard E. Spiegel and Dr. Kenneth W. Bruder**
- Report from the New Jersey Agricultural Experiment Station, **Daryl Lund**
- Suppression of *Ixodes scapularis* populations in new Jersey, **Terry L. Schuize, Ph.D.**
- Results of applications of granular and liquid formulations of Sevin for the management of black-legged tick populations, **Louis M. Vasvary, Ph.D.**
- Tick biology and Rocky Mountain spotted fever in North Carolina, **Marc Slaff and Nolan H. Newton**
- An update on the rabies epizootic in New Jersey, **David Adam and Faye Sorhage**
- Heartworm disease update, **Cohn T. Campbell, D.V.M.**
- Rodent control in Hampton, Virginia, **Joseph A. Kertesz**
- A tire tale, **Judy Hansen**
- Elimination of 24,000 breeding places in Middlesex County, **Robert B. Dreyer**
- Conclusions drawn from ULV droplet samples, **Carl L. Schaaf**
- Label requirements and particle size determination affecting ground ULV application of adulticides, **Kern Walcher**
- ULV operations in Middlesex County, New Jersey, **Roderic F. Schmidt**
- "Let us spray"-Laser diffraction technology as applied to spray droplet size distribution analysis, **Peter Faraday**
- Beekeeping, **Jacob C. Matthenius, Jr.**
- Evaluation of the lethal and sub-lethal effects of B.t.i. on saltmarsh mosquito larvae and adults in Delaware, **Roger J. Wolfe and Douglas E. Potts**
- Field and laboratory studies of *Coelomomyces psorophorae* var. *halophilus*, a lethal pathogen of saltmarsh *Aedes species*, **Alan D. Gettman**
- EEE in Virginia-1992, **Joseph A. Kertesz, Agnes Flemming and Roland J. Solderholm**
- Detection of eastern equine encephalitis virus in mosquitoes by polymerase chain reaction, **A. M. Monroy and B. A. Webb**
- Emergency mosquito control in the aftermath of Hurricane Andrew, **Roger S. Nasci, Ph.D.**
- Close-up photography: Basic equipment and practice for mosquito biologists, **Richard G. Weber**
- New Jersey State Airspray Program, 1992, **Robert Kent**
- Eastern equine encephalitis in New Jersey during 1992, **Wayne J. Crans**

PAPERS OF THE 1992 NJMCA ANNUAL MEETING

- Welcome to the 79th Annual Meeting, **Martin S. Chomsky, M.P.H.**
- A small-scale field trial with Altosid XR for mosquito control, **Claudia M. O'Malley**
- An easy system for calibrating granular larvicides applied by helicopter, **Roderick F. Schmidt and Daniel Geerders**

- Construction and certification of a granular dispersal system for the Bell 206B **Jetranger, I. L. White, III, and R. Reichert, Jr.**
- Description of the AIMS Army Insecticide Measuring System, **William J. Zawicki**
- Preliminary efforts for tick control in recreational areas, **Dana Chort and William Reinert**
- State of the art pesticide storage building for Monmouth County, **Martin S. Chomsky, M.P.H.**
- Presidential address, **Martin S. Chomsky, M.P.H.**
- A message from the Division, **Robert McDowell**
- Report from the State Mosquito Control Commission, **Ralph W. Evans**
- Warm water fish production at the Hackettstown State Fish Hatchery, **Kurt Powers and Robert Olsen**
- The value of geographic information systems to the mosquito control community, **William G. Guthe**
- Vector control in the Persian Gulf, **Joseph M. Conlon, LCDR, MSC, USN**
- Restoration of a detention facility for mosquito control, **John Kranz and George O'Carroll**
- Two years of dredge site restoration in Mumford Cove in Groton, Connecticut, **Paul M. Capotosto**
- Using the talents of your employees, **Daniel J. Rice**
- A decade of open marsh water management in Delaware: Reducing *Aedes* in the 80's, **Roger J. Wolfe**
- Delaware beaver management plan, **William H. Meredith and Terri Fabean**
- Effects of open marsh water management on fish and birds in two North Carolina salt marshes, **Alice L. Anderson and William Kirby-Smith**
- 1991 field collections of *Aedes aegypti* in Morris County, **Jeffrey W. Donnelly**
- The ability of *Culex pipiens* and *Culex restuans* to locate small oviposition sites in the field, **R. G. Weber and Tracy A. Horner**
- Attractancy of oviposition sites containing conspecific larvae and rearing water to gravid *Culex pipiens* and *Culex restuans*, **Tracy A. Homer and R. G. Weber**
- Development of ovariole dilatations after oviposition in *Culex pipiens* and *Culex restuans*, **Susannah M. Small and R. G. Weber**
- A history of malaria in New Jersey, **Wayne J. Crans**
- Malaria in New Jersey-1991, **Terry L. Schulze**
- Indigenous malaria cases-Monmouth County 1991, **Martin S. Chomsky, M.P.H.**
- The impact of an indigenous case of malaria in Camden County, **Howard Emerson**
- The biology of *Anopheles quadrimaculatus* Say, **Claudia M. O'Malley**
- Eastern equine encephalitis in New Jersey during 1991, **Wayne J. Crans**
- The New Jersey State Airspray Program Activities in 1991, **Robert Kent**

- Presidential address, **Martin S. Chomsky**
- AMCA Update, **Matthew M. Yates**
- Report from the State Mosquito Control Commission, **Leonard E. Spiegel**
- N.J. Agricultural Experiment Station update, **Roger Wyse**
- The N. J. State Airspray Program, the season of 1990, **Robert B. Kent**
- Operational aspects of localized adult mosquito control, **Henry R. Rupp**
- SLE in Florida, 1990, **James Burgess**
- EEE in Onondaga County, New York, in 1990, **Fran Krenick**
- A review of the 1990 St. Louis encephalitis virus epidemic in Indian River County, Florida, **Johnathan F. Day**
- Arbovirus activity in the United States: Recent activity and the future of emergency vector control, **C. G. Moore**
- Resting box efficiency in the collection of *Cs. melanura* within five habitats associated with EEE virus, **James R. McNelly**
- EEE in New Jersey during 1990, **Wayne J. Crans**
- The role that education can play in mosquito control coordination, **David Chanda**
- Public relations in mosquito control from an industry point of view, **Nicholas B. Kalm**
- Water management in Salem County, **Charles A. Ahl**
- The New Jersey Equipment Use Program: A ten-year report, **Robert B. Kent**
- Field comparisons of four long-duration larvicide formulations in Middlesex County, New Jersey, **Roderic F. Schmidt**
- Burlington County Mosquito Extermination Commission's closed helicopter loading system for granular pesticides, **Michael F. Muench**
- Drinking during egg raft production by *Culex pipiens* and *Culex restuans*, **R. G. Weber, Tracy A. Horner and Chris Tipping**
- Hatchability of *Culex pipiens* and *Culex restuans* eggs in normally and abnormally oriented rafts, **Tracy A. Horner and R. G. Weber**
- Evidence suggesting a role for Glossy Ibis in the epidemiology of EEE, **Wayne J. Crans, Donald F. Caccamise and James R. McNelly**
- Effects of marsh management on Black Duck populations and production on the New Jersey salt marshes, **Fred Ferrigno and James R. McNelly**
- A five-year study of the effects of OMWM on Meadow Vole populations in Ocean County, **Michael Romanowski**

PAPERS OF THE 1990 NJMCA ANNUAL MEETING

- Welcome, **Thomas E. Murray**
- Address by the President of NJMCA, **Leonard E. Spiegel**
- AMCA Update, **Judy A. Hansen**
- Report of the State Mosquito Control Commission, **Leonard E. Spiegel and Kenneth W. Bruder**
- Report from the New Jersey Agricultural Experiment Station, **Roger E. Wyse**
- A Probable Human Case of EEE: A Parent's Perspective, **Russell B. Waring**
- The 1989 Epizootic of EEE and New Jersey's Prospects for the Future, **Wayne J. Crans**
- The N.J. State Airspray Program, 1989, **Robert B. Kent**
- Radio Telemetry Studies with Salt Marsh Wading Birds in EEE Study Sites, **Wayne J. Crans and Donald F. Caccamise**
- Banding and Recapture of Salt Marsh Wading Birds with Reference to Possible Involvement in the Cycling of EEE, **James McNelly, Fred Ferrigno, Wayne J. Crans and Donald F. Caccamise**
- Mosquitoes and Disease on Planet Earth in 1989, **Helen Sollers-Riedel**
- **SYMPOSIUM: Water Management**
- Update on Freshwater Wetlands Regulations, **Kenneth W. Bruder**
- Water Management on Freshwater Wetlands, **Christine P. Musa**
- Restoration of a Degraded, Urban Tidal Marsh: An Overview of the Broad Dyke Project, **William H. Meredith, Roger J. Wolfe, David B. Carter and Chester J. Stachecki, Jr.**
- Operational Open Marsh Water Management at Prime Hook National Wildlife Refuge, Delaware, **Roger J. Wolfe, William H. Meredith, Chester J. Stachecki and Richard G. Neuman**
- A Cost Comparison Between Open March Water management and Chemical Larviciding Utilizing Modern Mosquito Control Equipment, **Richard Candeletti and Thomas M. Candeletti**
- **Salt Marsh Management in North Carolina**, Alice M. Anderson and Marc Slaff
- *Phragmites* Wetland Restoration in Connecticut, **Paul M. Capotosto**
- Effects of Marsh Management on Black Duck Populations and Production on New Jersey Salt Marshes, **Fred Ferrigno and James R. McNelly**
- A Five Year Study on the Effects of OMWM on Meadow Vole Populations in Ocean County, **Michael Romanowski**
- **SYMPOSIUM: Insecticides**
- Witco Golden Bear 1356, the Larvicide, **Roderic F. Schmidt**
- Abate (Temephos) as a Mosquito Larvicide: Some Practical Considerations and Operational Experiences, **Douglas D. Guthrie**
- **SYMPOSIUM: Nuisance Mosquito Species in New Jersey**
- Introduction to the Symposium, **Wayne J. Crans**
- The Biology of *Culex salinarius*, **Marc Slaff**
- *Aedes trivittatus* in New Jersey, **Robert D. Duryea**

- New Jersey *Psorophora*, **Henry R. Rupp**
- *Aedes vexans* (Meigen): An Old Foe, **Claudia O'Malley**
- Oviposition by Naturally Impaired, Wild *Culex pipiens* L. and *Culex restuans* Theobald Females, **R. G. Weber and Chris Tipping**
- Effect of Surface Film on Oviposition by Wild *Culex pipiens* L. and *Culex restuans* Theobald, **Tracy A. Horner and R. G. Weber**
- The Effectiveness of Aerially Applied Arosurf-MSF in the Control of the Cattail Mosquito, *Coquillettidia perturbans*, **Emilio Kenny, Ernest Ruber, Jack Card, David Henley, Kathy MacCallion and Mike King**
- Mosquito Production on Dredge Spoil Sites: A Comparison of Pyramid Traps vs. Soil Sampling for Eggs, **Patricia Mulligan, Robert Kent and Dennis Joslyn**
- Field Tests of a Dry Formulation of *Bacillus sphaericus*, **Roderic F. Schmidt**
- Evaluation of Granular Aerially Applied *Bacillus sphaericus* in 1989, **James McNelly and Donald J. Sutherland**
- Eastern Equine Encephalitis in New Jersey During 1989, **Wayne J. Crans**
